

SUE SINEO
FOR SUFFOLK COUNTY LEGISLATOR

FOR THE PEOPLE
FOR OUR COMMUNITY
FOR SUFFOLK COUNTY

ELECTION DAY – TUESDAY, NOVEMBER 8TH

May 14, 2011

Dear Fellow Sportsman:

With today's liberal politicians targeting our Second Amendment rights, I am deeply concerned about where our future is going. The rights of sportsmen are in jeopardy and our government no longer represents the People - but the vocal minority. That is why I am challenging Kate Browning for the Suffolk County Legislature's 3rd District seat. Browning is one of the *MOST* liberal politicians in New York State, and her stance on sportsmen's issues is no secret. In stark contrast, I am a strong supporter of our Second Amendment rights, a proud member of the NRA, and the NYSRPA. I have a Suffolk County Pistol License and enjoy target shooting with my husband.

Raised in an active sporting household, I have fond memories of my father and uncle deer hunting, and running their beagles for rabbits. My brothers duck hunted in the Great South Bay, and shot trap and skeet at Southaven Park. I spent many summers fishing from Cranberry Dock and at the (now distressed) Forge River. I currently live in Manorville with my husband Roy and our four children. Roy is a firearms expert, armorer, and an avid sportsman. We share our passion and traditions with our children, and encourage them to participate in youth sporting and hunting opportunities.

I am a strong advocate for our military. In fact, I received a commendation from Governor Patterson for my outstanding achievements on behalf of our veterans. When elected I will create more sporting opportunities at our County Parks for our disabled veterans. I am a member of Honor Flight Long Island which is a non-profit organization serving our WWII veterans. I am equally as passionate about supporting projects for our Wounded Warriors.

As a life-long resident of Suffolk County, I have tremendous pride in our sporting heritage, and I am committed to ensuring that our children have the same opportunities.
