### Reasons why you should be a member of SASI

- ♦ A representative of **SASI** attends each meeting of the *New York State Conservation Council (NYSCC)* and takes an active part in its deliberations. Important accomplishments include:
  - ✧ convincing 61 of New York's 65 counties to vote in opposition to a saltwater fishing license and
  - ✧ obtaining the *NYSCC*'s support to continue the pheasant stocking program.
- ♦ We were successful in getting Suffolk County to lengthen its deer hunting season, to three weeks;
- ♦ We convinced Suffolk County to open *Robert Cushman Park* and *Montauk County Park*, for hunting;
- ♦ The *Department of Environmental Conservation (DEC)* extended its Deer Management Unit (DMU) permit program, to include Long Island, because of **SASI**'s pressure for a second deer, for bow hunters;
- ♦ We attend, participate in and represent our membership's interests, at all saltwater fishing programs held on Long Island;
- ♦ We sponsor the annual *National Hunting & Fishing Day Expo*, for all of Long Island;
- ♦ We actively work, with the Suffolk County and NYS Legislatures, to protect and expand your rights;
- ♦ We were responsible for the elimination of Suffolk County's "locked-box" handgun regulations;
- ♦ We attend the meetings of, participate in and represent your interests, with the *DEC*;
- ♦ We succeeded in increasing the term of Suffolk-issued pistol licenses, from 3 to 5 years;
- ♦ We put pressure on Suffolk County, for the fishing pier, on *Lake Ronkonkoma*, so that youth and the disabled could better access that lake's facilities;
- ♦ We are members of the Pine Barrens Management Team and
- ♦ We led the negotiations, with the Suffolk Police Department and the Suffolk Sheriff, to obtain the broadened [less restrictive] categories of Suffolk County-issued handgun licenses.

**The above is a list of only a few of SASI's accomplishments. There are many more.**

- ♦ **SASI** intends to stay on top of the Fire Island deer hunting and deer immuno-contraception controversies;
- ♦ We are continuing our efforts, to make handgun purchase documents easier to obtain;
- ♦ Our bow hunting committee pursues county and state officials, for better recognition of bow hunting needs on Long Island;
- ♦ We continually work, with Suffolk County government and the *Suffolk County Sportsmen's Advisory Council*, to open more of the public land the county has purchased, to hunting and fishing activities;
- ♦ We are working, with *United Gamefish Anglers, Inc.*, to have the Striped Bass designated as a game fish.

**The bottom line:** We support and represent you. You tell us what your sport needs are and we will try to accomplish those goals for you. Remember, we can only do it with *your* support. Please make your check payable to *Suffolk Alliance of Sportsmen, Inc.* and mail in your membership application, today. Thank you.
